Music & Fun at the Mountainside Library's Folk Music Café

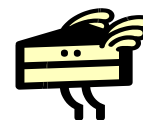

Come and hear **Reckon So** at the Folk Music Café on Thursday,
Sept 16th at the Mountainside Library from 7:00 to 8:40 PM. (*It happens the 3rd Thursday of every month...*)

Danny Weiss and Mary Olive Smith, bring a smokin' mix of Country Western, Swing, Honky Tonk & Bluegrass. Danny is a founding member of the ground-breaking contemporary bluegrass band, *Tony Trishka and Skyline*.

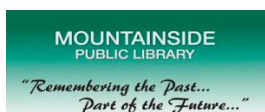

A favorite part of the night is the **song-share** where you can *dust off your instruments* and try out a song. It's topped off with an **informal, live jam session** for everyone.

You'll love listening to the music while munching on **fine desserts**.

The Folk Music Café is sponsored by a Watts Foundation Grant and is free to all. We invite listeners and participants to enjoy the music, coffee, tea & dessert.
